

WHAT'S NEW FOR 2009

Dates to Remember:

November 19, 2009: Judging takes place

Cover Sheets Replace Application Forms:

In the past complete application forms were downloaded. This year only cover sheets will be downloaded. The applications will be typed by the applicant and/ or leader on plain paper and stapled to the cover sheet. Applicants must adhere to restrictions on length and font type and size described on the cover sheet.

The Key Club Application form, which is determined by the State, is an exception to this "cover sheet only" rule.

Award Name Change:

The Ambassador Award for Community Service is now titled the Individual Community Service Award.

New Award for Leader Lifetime Achievement:

Nominees must have been active in 4-H for at least 21 years.

No County Awards Workshop:

Due to lack of participation during the last couple of years, no workshop has been scheduled for this fall. If you need assistance, contact Karen Hakim who will be happy to schedule individual or small group help sessions.
